

To whom it may concern:

My name is BRAN BRANSON and I am a resident currently residing at FREEDOM HOUSE. PRIOR to arriving here I was at the Park Avenue Treatment Center as an inpatient for treatment for alcoholism, anxiety, and depression. Though I've been able to maintain my sobriety for almost 90 days and my anxiety is more controlled, I still have thoughts that deeply affect me. Because of this I chose Freedom House in hope that spiritual guidance & answers to troubling thoughts will restore my faith and remove the burden in my mind.

I've been here for 2 months and in this time I've been able to open up and even confide in someone in regards to my thoughts not possible elsewhere.

I consider my stay here beneficial to my treatment which is still ongoing. It is my hope and desire to do so.

Sincerely

BRAN W. BRANSON
