To whom it may concern,

My name is David Udstuen, I have been staying at the Freedom House since May 2010 it has been a spiritual change in my life. I have met great friends, staff member's, and friend's along the way. I have been able to rehabilitate myself spiritually and physically here along my stay so far.

When I had no where to go Jim was there, I had explained changes and things I was willing to do in order to make a difference in my life and Jim saw threw that I really wanted to make a difference in where I was at, and he helped me along every step of the way.

I am most grateful that I discovered the freedom house and was able to reach some of my new goal's in life and I hope it remains open for the hundreds if not thousands of lives the Freedom House could change that it did in me and one's I also witnessed.

Thank You for your time in reading my letter and I hope you take it into deep consideration and the change's God has done for me.

Sincerely
