

Derek Brummett  
7/11/10

Dear Freedom House,

Thank you for giving me a safe, healthy, and secure place to live and grow during my recovery. Where I can be in the presence of God's grace, and learn more about our Savior and Shepherd Lord Jesus Christ. Freedom House and fellows here have given me hope for the future when I had none, and have done it in a way all Christians would be proud of. Sincerely,

Derek Brummett
