

Hi my name is Jeremian Johnson
 I am 21 years old in recovery and
 I can honestly say the freedom house
 is helping me way better then any other
 treatment or half way house I enjoy learning
 stuff hear and having positive sober people
 hear to help me with my recovery and
 I like doing the things that we do
 to help out the community. This place
 has the perfect amount of Discipline
 its not to stressful and that is a
 very important part of a sober home
 because stressed out addicts equal
 relapse and when ever I have a craving
 staff and peers are very helpful.
 I love the Bible studys, The safe
 involvement the friendly people and every
 body is doing a great job to help
 me stay sober. God has really blessed
 me and every one hear with the freedom
 house this is just what we need is to
 be safe, sober, clean involvement, ~~good education~~
~~education~~ experience and classes to God
 was on the wrong path untill I came hear
 Now I can see I have a future
