

# Martin Tucker Freedom House Resident

My name is martin tucker and freedom house has helped me in the following ways. I have have a warm clean place to stay, I am sober and I live in a sober environment, and I am around other sober individuals.

I had the opportunity to be a resident here last year around this same time. I can honestly say that the food, living conditions staff, and all around treatment of the residents has gotten 100% better. I know that Jim has done everything in his power to keep this place afloat.

I have had the opportunity to be in many different sober houses. Originally tucker house, green house, etc. And I can honestly say this has been the best one I've been too. Mainly because of their strong christian beliefs and Christian way. It would not only be hurting the community by closing the place down but also the

community, Please consider this
